(if you have answered Yes, please supply a copy of the report)

IMPORTANT

MATERIAL FACT Material facts are those facts which are likely to influence us in the acceptance or assessment of this

Proposal and it is essential that you disclose them. If you are in doubt about whether a fact is **Material**, you should disclose it, since failure to do so could invalidate your policy.

YOUR RECORDS You should keep a record (including copies of letters) of all information supplied to insurers which relates to this proposal. A copy of this proposal will be supplied on request made within a period of 3 months after its completion.

DATA PROTECTION ACT We may use the personal details you give us, which are supplied by third parties, to provide you with a quotation, to administer your policy, to support the development of our business by including your details in customer surveys, and for market research and compliance business reviews. We may also share these details with other insurance organisations to help off-set risks, to help administer your policy and to handle claims and prevent fraud. We will store your details on computer, but will not keep them for longer than necessary. Under the terms of Data Protection Act 1998, you are entitled to a copy of all the information we hold about you.

Declaration

I/we agree that all details in this proposal are to the best of my/our knowledge and belief true: that this proposal and declaration shall form the basis of the contract between me/us and the Insurers and that I/we will accept and abide by the terms of the policy to be issued.
